## Pool Class Pricing Changes:

Water Aerobics pricing has been changed to reflect pricing methods for Aerobics Classes throughout the Community Center. This standardizes our pricing system with similar classes offered through Shelton Parks and Recreation.

Pricing has not increased in approximately 13 years, and still remains lower than similar classes offered in this area. Over 75% of our Adult Pool programming participants fall into the senior category. This has been taken into account when determining our increased flat rate prices. There will no longer be a discount for Pool memberships with Aerobics classes.

Class Name	Flat Rate
Early Morning Aerobics (Jo-Ann)	\$75
Off the Deep End (Nancy)	
Water Aerobics (Danielle)	

## Swim Lesson Pricing:

Swim Lessons	Resident	Non-Resident	Pool Member (Child must be a member)
